Such a Quiet Place
by Megan Miranda

We had no warning that she'd come back. Hollow's Edge used to be a quiet place. A private and idyllic neighborhood where neighbors dropped in on neighbors, celebrated graduation and holiday parties together, and looked out for one another. But then came the murder of Brandon and Fiona Truett.

A year and a half later, Hollow's Edge is simmering. The residents are trapped, unable to sell their homes, confronted daily by the empty Truett house, and suffocated by their trial testimonies that implicated one of their own. Ruby Fletcher. And now, Ruby's back.

Within days, suspicion spreads like a virus across Hollow's Edge. It's increasingly clear that not everyone told the truth about the night of the Truett's murders. And when someone begins receiving threatening notes, she realizes she has to uncover the truth before someone else becomes the killer's next victim.

The Senior Book Club usually meets
one Tuesday afternoon each month.
